Açai 600

INTRODUCED APRIL 2009

What Is It?

Açai 600 provides a broad-spectrum blend of açai berry nutrients combined with blueberry, pomegranate, cranberry and raspberry for powerful antioxidant protection.*

Uses For Açai 600

Daily Wellness and Antioxidant Support: Native Brazilian açai berry extract (*Euterpe oleracea*) offers an exceptional nutritional composition of vitamins, minerals, fiber, essential fatty acids and amino acids. It also contains a wide range of phytochemicals, including anthocyanins, proanthocyanidins and other flavonoids. In this formula, açai is combined with blueberry, pomegranate, cranberry, and raspberry for additional antioxidant support.*

What Is The Source?

Açai berry extract is derived from *Euterpe oleracea* whole fruit. Pure Encapsulations açai berry is harvested by hand in order to preserve the integrity of the palm tree and the delicate rain forest ecosystem. Berries are also hand sorted and selected for quality. Blueberry extract is derived from *Vaccinium angustifolium* fruit. Pomegranate extract is derived from *Punica granatum l.* fruit and standardized to contain 5% ellagic acid. Cranberry juice extract is derived from *Vaccinium macrocarpon* and contains natural cranberry fiber and cranberry seed oil. Red raspberry extract is derived from *Rubus idaeus* whole fruit and standardized to contain 40% ellagic acid. Hypo-allergenic plant fiber is derived from pine cellulose.

Recommendations

Pure Encapsulations recommends 1-2 capsules daily, with or between meals.

Are There Any Potential Side Effects Or Precautions?

At this time, there are no known side effects or precautions. If pregnant or lactating, consult your physician before taking this product.
