

PureCell

What Is It?

Advanced antioxidant and adaptogenic cellular health formula designed to maintain healthy cell function and protect healthy tissue.*

Uses For PureCell

Cellular Health: PureCell offers advanced antioxidant and adaptogenic support for maintaining cell health and protecting healthy tissue. Vitamin and mineral antioxidants promote healthy cell function and cell longevity, as indicated in numerous trials involving over 8,500 individuals. Adaptogens are important for physiological and cellular homeostasis and have positive effects on immune function, the body's natural inflammatory response, and oxidative stress.*

This product is designed to:

- Offer intracellular as well as extracellular antioxidant protection with *alpha lipoic acid**
- Target superoxide anion, hydrogen peroxide and hydroxyl radicals with *coenzyme Q₁₀*, maintaining the integrity of cellular membranes*
- Replenish glutathione, scavenge free radicals, and promote liver function with *n-acetyl-cysteine* and *selenium**
- Maintain healthy angiogenesis balance and cellular growth and differentiation with *vitamin D* and *green tea**
- Support healthy cyclooxygenase enzyme activity for a healthy inflammatory response with *curcumin**
- Support macrophage, natural killer (NK) cell and T-cell activity with *astragalus**
- Promote healthy cell signaling and gene expression at the cellular level while encouraging overall energy and vitality with *ashwagandha* and *Panax ginseng**

What Is The Source?

Vitamin D₃ is derived from lanolin. Coenzyme Q₁₀ is derived from fermentation. N-Acetyl-L-cysteine and alpha lipoic acid are synthetic. Ashwagandha extract is derived from *Withania somnifera* root and standardized to contain 5% withanolides. Turmeric extract is derived from *Curcuma longa* root and standardized to contain 95% curcuminoids.† Panax ginseng extract is derived from the root and standardized to contain 27% ginsenosides. Decaffeinated green tea is derived from *Camellia sinensis* leaves and standardized to contain 70% epigallocatechin gallate (EGCG). *Astragalus membranaceus* extract (8:1) is derived from the root. Ascorbyl palmitate is derived from corn dextrose fermentation and palm oil. Hypo-allergenic plant fiber is derived from pine cellulose.

†Curcumin C3 Complex® is a registered trademark and patented product of Sabinsa Corporation.

Recommendations

Pure Encapsulations recommends 2-4 capsules daily, with meals.

Are There Any Potential Side Effects Or Precautions?

Not to be taken by pregnant or lactating women. Some ingredients have been associated with GI upset, including nausea, vomiting, abdominal bloating and pain, dyspepsia, flatulence, and diarrhea. Panax ginseng has been associated with insomnia. In rare cases, there have been reports of ginseng causing mastalgia, irregular menses, tachycardia, headaches, mania, blood pressure changes, edema or pruritus. Alpha lipoic acid has been associated with skin rash. Consult your physician for more information.

*These statements have not been evaluated by the Food & Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

For educational purposes only. Consult your physician for any health problems.

Are There Any Potential Drug Interactions?

PureCell is contra-indicated with blood thinning medications. Panax ginseng may be contra-indicated with immunosuppressants. Ashwagandha may be contra-indicated with sedative medications. Individuals on anti-diabetes medications may require blood glucose monitoring. Consult your physician for more information.

PureCell

four vegetable capsules contain  V 0	
vitamin D ₃	800 i.u.
selenium (selenomethionine)	200 mcg.
coenzyme Q ₁₀	200 mg.
n-acetyl-l-cysteine (free-form)	200 mg.
alpha lipoic acid	150 mg.
ashwagandha (withania somnifera) extract (root)	360 mg.
(standardized to contain 5% withanolides)	
turmeric (Curcuma longa) extract (root) ¹	300 mg.
(standardized to contain 95% curcuminoids)	
panax ginseng extract (root)	300 mg.
(standardized to contain 27% ginsenosides)	
green tea extract (leaf) (decaffeinated)	200 mg.
providing:	
total tea catechins (min.) 90%	
epigallocatechin gallate (EGCG) 70%	
astragalus membranaceus extract (root) (8:1)	175 mg.
vitamin C (as ascorbyl palmitate).....	40 mg.
(hypo-allergenic plant fiber added to complete capsule volume requirement)	
2-4 capsules daily, with meals.	
<i>Not to be taken by pregnant or lactating women.</i>
